## 18) Blocking Review 2

Answer the following questions about blocking and stage movement. You may use the sheet you received yesterday to find the answers.

1. When turning on stage, where should you always face?
2. What do you not do when you are headed to sit on a piece of furniture?
3. How many feet should you enter from or exit to?
4. Which hand do you gesture or handle props with?
5. In order, list the body parts that hit the ground when falling.
